# Annexation route mapped

## Property owners head toward pre-annexation request

The owners of five parcels of land between the Village limits and The Antioch Country Club met on Thursday, July 19, with the Village Board's Annexation Committee and Mr. Thomas Santino, developer of the proposed residential project on the Country Club property.

According to Village Trustee and Chairman of the Committee, Mike Haley, "The purpose of the meeting was to get the intervening property owners to agree to start negotiations on comprising a combined pre-annexation agreement with them and with Mr. Thomas Santino. And we were successful."

Presently, the annexation route—to incorporate the development into the Village—has been mapped through the properties on the west side of Route 59 to Beach Grove Road. It then crosses Beach Grove Road at a point about 1000 feet west of Route 59 and continues due south to the Country Club. The owners of the property in question may annex all, or only a part, of their land—as long as a continuous route to Santino's project is achieved.

Haley commented that this route was chosen since the least amount of people would be involved. He also commented that it was hoped the remaining unannexed property on Route 59 would come into the Village.

"We are not going to knock on everybody's door, but we hope

that they come into the Village and hook up on our sewer and water line."

The sewer and water route is tentatively planned to run straight down Route 59.

Four of the five property owners involved were present at the meeting. Mr. Al Pedersen who owns a large tract of land along Route 59 was not able to attend. However, Mr. Haley commented that Mr. Pedersen had expressed his desire to him to annex the property to the Village.

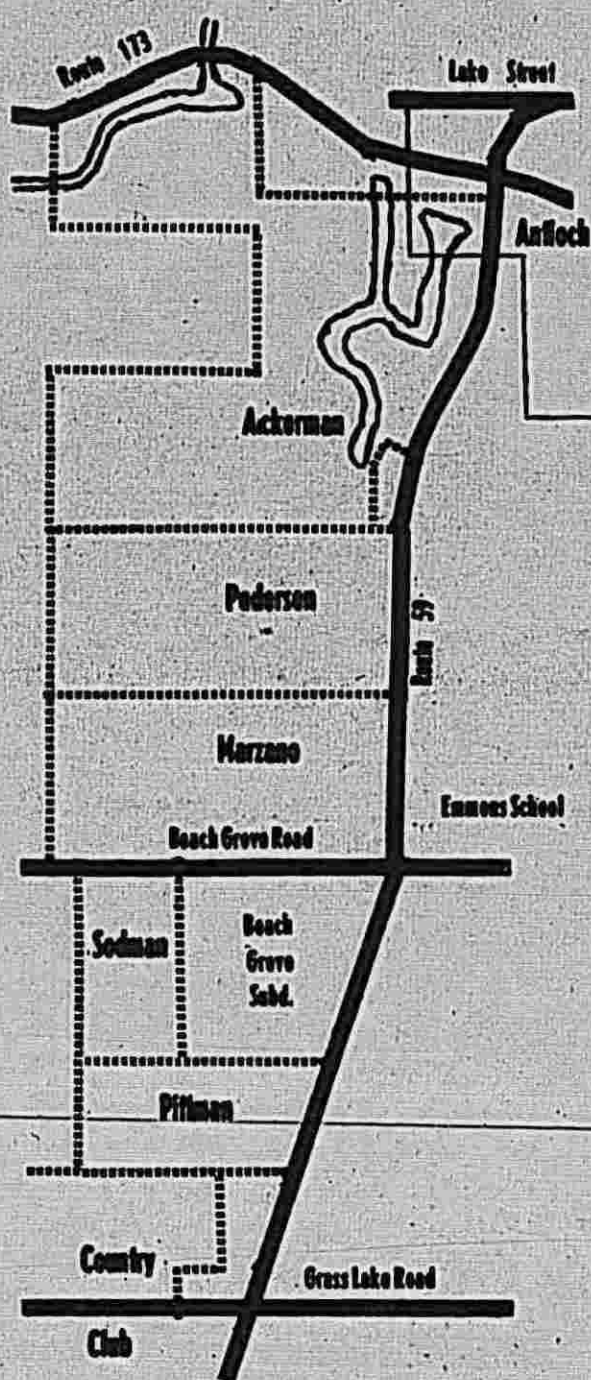

The Antioch News questioned Mr. Pedersen on his feelings toward annexation and his only reply was, "I don't know what my feelings are right now."

The meeting lasted for about 2½ hours during which time Mr. Santino gave a short history of the development. He told the property owners that he was not trying to fool them, that there had been much opposition to his development in the past and that the County suit is still pending. Mr. Santino then answered questions, as did Mr. Frank Rhode, the Village Attorney, and members of the Annexation Committee.

The main objection voiced by the property owners was the prospect of a raise in their property tax.

Mrs. Lillian Ackerman, who owns some 100 acres of the property in question, said that her main objection to annexa-

Christmas in July??? No, not really. The Chamber of Commerce erected the tree last weekend to get an idea of its size, appearance, etc. The Chamber also hoped to get some feedback from the merchants and according to the Christmas Tree Chairman, Jack Siegmeier, the comments were favorable. The Committee has now received a nod from the Chamber and Christmas trees will now be ordered for Main Street, Lake Street, Orchard Street and Hillside Avenue approaching the Plaza. (Staff Photo)

## Discussing Vocational Center and budget

Two main points, are on the agenda for the Antioch Community High School Board Meeting this Thursday night July 26.

There will be a hearing of the proposed 1973-74 school year budget. Ken Wierschem, the newly appointed Business Manager, will now be working in this area.

The second point will deal with a presentation of the Lake County Vocational Center plans. Mr. Merv Pilote, Planning Director, will be present at the meeting and will review the total plans past and present that have been proposed for the center.

The Board will then be faced

with a decision as to whether they are going to support the center or not. If they decide to support the center it is possible that they will levy a tax to do so.

## Stolen car burned

The Antioch Fire Department extinguished a blaze that completely destroyed a 1969 Chevy this weekend. The car belonged to Andrew Jackson of Antioch and was stolen prior to the fire. The fire occurred off of Wilmot Road in a field. The matter is under investigation.

Workmen began to replace the culvert on Sequoit Creek at Hillside Avenue Monday. When the new culvert is in place and the street paved, Hillside will be a through street from the South end of town all the way to North Avenue. (Staff Photo)

## STORM SEWER PROJECT BEGUN

Construction of the Storm Sewer project on Route 83 began on Monday, July 23. Storm sewer lines will be run from the corner of Poplar Street to the end of Parkway and North Avenue.

According to Tod Maplethorpe, The Superintendent of Public Works, the purpose of the \$88,926.00 sewer construction is to drain the storm water off the North Side of Town. The project will take approximately three weeks to complete, and the work is being done by the Gluth Brothers Company.

The culvert project on Hillside and Sequoit Terrace also began construction on Monday. The present culvert will be enlarged and a bridge will be made connecting Hillside to Orchard Street. The project will take a couple weeks before it is completed.

Trustee Mike Haley, Building Inspector Walt Delaney, and Supt. of Public Works, Tod Maplethorpe were on hand as construction began on the Main Street storm sewer expansion on Monday, July 23rd. Delaney stressed that during the construction project, children going to the swimming pool from the North end of town should walk on the East side of Main Street. (Staff Photo)

## AN IMPORTANT OPPORTUNITY

We call your attention to an important public meeting to be held Thursday evening, July 26, at 7:00 at the Antioch Community High School.

Merv Pilotte of the Lake County Schools Office will be at the meeting to give a full explanation of the proposed Lake County Area Vocational Center. Pilotte has been in charge of planning for the center, which is badly needed in this area.

Much has been heard lately about such an endeavor. THE ANTIOCH NEWS published a rather complete report on the status of the planning studies on June 6th.

When the plans are completed and the time for action comes, the spending of money will be required. This means a tax referendum. You will be asked to vote on whether or not a temporary tax should be levied to finance construction of a vocational campus.

Don't let the referendum catch you by surprise. Get the facts now; find out what is being proposed and why. Ask questions. So that you will be informed when the time to vote comes, attend Thursday's High School Board meeting.

## A WORD ABOUT BIKES

Bicycle riding has become a popular pastime in the last few years. Bikes used to be for the very young, but now the teenage and adult population are monopolizing the show.

The pastime has become popular no doubt for a number of reasons. The gas shortage is a big factor, coupled with the increasing need for exercise and the advent of the 10 speed bicycle.

Whatever the reason, it is a fact that there are more bicycles on the road than ever before and there have been more bicycles stolen in the area than ever before.

There are many reasons for the increase in bicycle thefts too. Bicycles are expensive, ranging from \$50 to \$100 and up. They're easy to steal if they are unlocked and can easily be disguised and resold.

According to Antioch's Chief of Police, Jack Wells, most of the bicycles stolen in Antioch are taken by "joy riders". The joy rider spots a bike leaning against a building or tree, hops on and takes it for a ride. It is strictly a matter of fun or convenience. Most of these bicycles are then abandoned and recovered. Chief Wells does not suspect that there is a bicycle ring operating in Antioch and he commented that there is one easy

### AN OPEN LETTER TO THE CITIZENS OF ANTIOCH

Who among us would like residing in Chicago? Well, once upon a time Chicago was a town, and it grew and grew and grew, and they called it progress. Today, due to immense problems, which every newspaper is filled, Chicago is financially draining the State of Illinois.

This attitude that Lake County, too, MUST grow and WILL have a population of many, many thousands is hog wash. No one, not the federal government or any other group, has the right to dictate to any people in the land what is good for them if they do not want it. We are the government. We control our future. Elected officials are servants of the people, nothing more. I think it is time to demand, instead of ask, for that service.

The cry of the people is being heard through-out Lake County as high density developments spring up. When the people say no, the town fathers had better listen. Why are so many mayors and village boards like puppets, unable to think for themselves, letting someone else pull the strings. They feel there is nothing they can do about high density growth, so they must annex and grab all the land possible so they can control and govern it. Such unintelligent thinking is effecting the judgement of Antioch's elected officials.

Lake Villa, Antioch, Lindenhurst and the surrounding area had organized citizens groups

which these towns should be proud of. The people took time, effort and money to examine the cause and effect of the Antioch Country Club PUD. The extensive information brought forward by this group was so enlightening, the Lake County Board unanimously voted it down.

Mr. Santino, the developer, is now again asking annexation to Antioch. With a new mayor and some new board members they have started the very first effort in making the PUD a reality. These officials have not examined the testimony and information that was presented to the County and apparently don't intend to.

Mayor Wilton, as he closed the door in my face in his hurry to leave Monday's meeting, said that he had no other reason then his OWN feeling that most of the people wanted the PUD, and he completely refused a referendum to prove it. A referendum would cost the community \$300.00, and once again the citizens groups offered time and money.

Mayor Wilton feels he speaks for all the people and that they don't need to express their own feelings. As Ralph Nader said, "The price of Liberty is eternal vigilance". So, once again Antioch, because I love you and I love open roads, good uncrowded schools, enough doctors and hospitals, efficient, fast fire and police protection, recreation near by, less crime and low taxes, I want the people to know what is happening. A referendum, to stop this extremely high density PUD from being annexed, is theirs for the asking, whether Mayor Wilton likes it or not. Surely the citizens of Antioch will use their right to see the PUD put to a vote the democratic way.

Mrs. Kathleen Piasecki

solution to prevent your bike from being stolen.

Wells suggests, "Buy yourself a lock. They can be purchased at any bicycle shop or hardware store, and then use it. Park your bicycle in a rack and lock it."

It is also smart to advise your children not to leave their bicycle lying on the lawn or driveway, unless they are locked.

When you ride your bike to town it is smart to park and lock it in one of the four available racks. They're located in the following areas: outside the Police Department, at the Little League Diamond and there are two at the Swimming Pool. The Antioch Township Library also has a bike rack for their patrons.

It is also important to register your bike with the Police Department and to make sure that you have a copy of the registration numbers or some personal way to identify your bike.

Remember that an ounce of safety is worth a pound of cure.

### APPROVE ELDERLY HOUSING PROJECT FOR ROUND LAKE BEACH

Congressman Robert McClory today announced approval by the federal Department of Housing and Urban Development of a \$1,800,000 grant to the Lake County Housing Authority for a 100-unit elderly housing project in Round Lake Beach.

In announcing the project, Congressman McClory commended the Lake County Housing Authority and its Chairman, Bill Sherman, for their persistence in promoting this much needed housing development.

The 13th District Congressman also paid tribute to Round Lake Beach President, Carl Schrimpf, with whom he has worked on this project for about three years.

Mr. McClory stated: "Village President Carl Schrimpf has recognized the need for more adequate housing for our elderly citizens. His efforts and the cooperation of the Round Lake Beach Village Board and other municipal officials have contributed substantially to the final approval of this large housing project."

Congressman McClory described the project as part of the "Turnkey" program. Upon completion of the development by the contracting agency, the key is to be turned over to the Lake County Housing Authority to administer the development for the benefit of the elderly citizens.

## CRAFTY SUMMER SCHOOL KIDS

Diane Loughlin, a teacher at the Antioch Grade School, is faced with 45 to 60 crafty children each day. Her job is never dull as she teaches the Arts and Craft class.

Ms. Loughlin said, "The arts and crafts program for the summer introduces the children to new experiences and uses of materials in the fine and applied arts area. The program is basically planned to give the students an understanding of fundamentals in basic design in both 2 and 3 dimensional projects. Also an appreciation of art is cultivated through the viewing and discussion of slides from the work of many different

artists and craftsmen ranging from pre-historic to modern times."

Although this may sound like a pretty "heavy" curriculum the kids seem to have a great time and their imaginations are more than bountiful. There are four basic areas that are explored: painting with experiments in tempera, string, block and color mixture; drawing working with charcoal, pastels, and shadow drawing; printing including etchings, leaf prints, and string rubbings; sculpture using styrofoam, paper and clay; fabric design experimenting with tie dying, designs on

fabrics with dye stretchery.

The kids have art every day and for many it is their favorite time. It is a class in which they can feel free to express themselves, be creative, and experience the wonderful feeling of accomplishment in creating a work all their own.

The day the Antioch News dropped in on Ms. Loughlin's craft class, the second and third graders to be were busy molding clay. Ms. Loughlin said that the children were working on three dimensional sculptures rather than just making the traditional ashtrays. Once the children are finished and the clay is dry, they will paint them and then they will be fired. Most of these clay sculptures will last for many, many years, and the child will smile fondly at it thinking of his youth and his parents will look back and try to remember when....

Jimmy Fravala went to great pains in structuring his sculpture. The end product surprisingly enough was a dog. (Staff Photo)

Dawn Evertt used her talents to create a table, which stood by itself quite nicely when it was turned over.

Jeff Van Patten kept his clay in line by keeping a close eye on it. It seemed to do the trick and the clay didn't get away from him once. (Staff Photo)

Blood, sweat, tears and a lot of elbow grease went into Tommy Hogan's creation. Who said the summer crafts program is a breeze?? (Staff Photo)

# HUNDREDS ATTEND ANTIOCH ART FAIR

This solid block of marble was quite expressionless as this artist began his work early Saturday morning. . . . . (Staff Photo)

Roy Holler stepped in and took Herman Behm's place on the Auctioneer block on Saturday, crying out for the best price on many artistic creations. (Staff Photo)

Hundreds of people roamed the streets of Antioch on Saturday looking at the many art exhibits and shopping in the area stores. 172 artists registered to participate in the show and out of this number, 142 actually attended.

On the whole, the fair, was very well received and it should be noted that the Antioch Police Department did not have a single call pertaining to the Fair.

According to Mr. Barr, Chairman of the Fair, "The merchants seemed very enthusiastic, and praised the heavy store traffic throughout the day."

However, some merchants complained that although store traffic was good that sales were down. One store owner commented, "There are only 34 artists here in Antioch, and

everybody in Antioch is out spending their money on the Fair and not in the stores. The money sure isn't staying in Antioch."

The residents of Antioch appeared to enjoy the show and toured most of the booths. The artists were probably the happiest of all as sales for them seemed to be high.

Many people attended the auction that was held in the State Bank Parking lot. However, attendance fell away as the minimum price set on each piece by the artist, seemed to be too high.

Mr. Barr commented that they (The Chamber) had never dreamed they would have such an excellent response to the Fair. It turned out to be a much bigger event than expected and both the artists and the visitors came from all over.

The eight winners who were awarded prizes were:

Students Award: Robert Lossman, Mundelein, Water Colors - \$50.00. Crafts Division. 1st-Hannah Sawyer, Silver Lake, Painting and Drawing - \$100.00; 2nd, Julie Thomey, \$50.00; 3rd-Moneen Meuer, Madison, Wisc., Pottery - \$25.00. Best of Show: Stuart Slavik, Lake Villa, Oil Painting-\$150.00.

But as the day wore on three faces skillfully emerged. (Staff Photo)

## A word from Chief Wells on bicycles

Now that summer is well on its way, there has been a lot of bicycle thefts reported. Since these thefts have been reported the Police Department has recovered and returned many of the bikes. This is a problem that can be partially eliminated by the purchase of a lock and chain and by using these locks. Most of the bicycles recovered have had the chain and lock still on them as the owner didn't bother to use it. The Police Department again urges the people of Antioch to record the serial numbers of their bikes and purchase a Village Bicycle Tag. The cost of the bike decal is 50 cents and helps in locating the owners of recovered bikes. This is a small fee to pay when a bicycle in some cases may cost \$150 to \$200 and may be a deterrent to bicycle thefts. Bicycles are found by the Police Department in many locations around the Village that are just left and forgotten by the owners. These are picked up and held at the Police Station and are released to the owners with proper identification. This is why we urge registration or at least a record of serial number kept by the owner.

### NOTICE OF MEETING

## Annexation route -- continued

tion was the resulting raise in property taxes and change of zoning.

Owner of the property for the past 30 years, Mrs. Ackerman commented that she has never thought about annexation of her property to the Village. "What for?" she said.

When asked what benefits she felt would result from the present annexation, she said, "None."

"However," Mrs. Ackerman said, "I am not against anyone trying to make a living. The majority should rule, and the majority seem to want to go with the Village."

Mrs. Al Sodman, who along with her husband, owns 37 acres of the property in question, is also in the process of making a decision.

When asked what her feelings were on annexation, she responded, "At the moment we are yet undecided. This was the first meeting we attended. We didn't know that our property was going to be involved and therefore weren't paying too much attention to the matter. We did sign the agreement however saying that we were willing to talk about pre-annexation."

Mrs. Sodman cited the extension of the Village sewer and water system as a benefit to annexation.

She said, "Eventually we are all going to need it." After raising four children and living here for the past 48 years, Mrs. Sodman is concerned about Antioch. "I know that Antioch is going to grow, but I would like to see it grow according to some plan. I can understand the feelings of our schools, but they can not stop growth, it is going to come; there is too much land around to stop it. I think that within the next 10 years we are going to see a lot of changes around here."

Dr. Vincent Marzano of Chicago and the Flora Pittmann family of Antioch are the owners of the two other sections of land needed to complete the

annexation route.

All of the owners, who were present at the meeting signed an agreement saying that they are interested in approaching the Village for annexation. It is

now up to the property owners and Mr. Santino to get together and present a combined pre-annexation request to the Village Board for their approval.

It is the opinion of Mike Haley that this request will not take place for quite a while as it will take some time for all parties to reach a satisfactory agreement.

According to Thomas Santino, Developer of the Country Club, he is pleased with the way the annexation process is progressing. He commented that the proposed sewer route

will accommodate the greatest number of people by virtue of its right-of-way easement and the annexation route will involve the least amount of property owners.

Mr. Santino does not foresee any trouble with coming to an acceptable pre-annexation agreement with the Village, and his main concern centers around the Village's assurance that he be given adequate sewage treatment to complete the project.

It should also be emphasized that the property owners have

not settled on a pre-annexation agreement at this point, but rather they have merely agreed to negotiate with the developer and the Village.

## AUGUST

## IS FAMILY PORTRAIT MONTH

before they grow up and grow away from the family group...

**KEEP THE FAMILY TOGETHER IN A PORTRAIT PHOTOGRAPH**

Many families are returning home in August when summer courses, camps and vacations come to an end.

Since many children go away to school and the family may not be together again until the year-end holidays, this is an ideal time to plan family activities as a group - a time to get back-to-school wardrobes together and to have a contemporary, natural portrait taken of the family by a professional photographer. A color photographic portrait has marvelous gift-giving and home-decorating possibilities.

A family portrait takes only an afternoon. The best way to go about it is to call B-J Rush Studio at 395-5554, decide on an afternoon and make plans together.

You will want to decide whether the portrait should be indoors or out. Many suburban families prefer to have an environmental portrait photograph done on their property or in an attractive near-by location. For instance, your family can be photographed as

a group on the tennis court, ice-skating in an indoor rink or at a local park. Any of these create an appealing setting for an action portrait.

If the portrait is to be done in the studio, we will place the family into a warm, natural grouping, designed to look relaxed and happy, rather than formally posed.

Once the color portrait is complete, everyone can go over the proofs together to make an appropriate selection. A 16x20 print of this type of photographic art is especially attractive when placed over a sofa or fireplace as the focal point of a room. B-J Rush Studios can advise you about appropriate framing. A portrait photograph of your family can be used also as a warm personal Christmas card, or for birthday or anniversary gifts for family members.

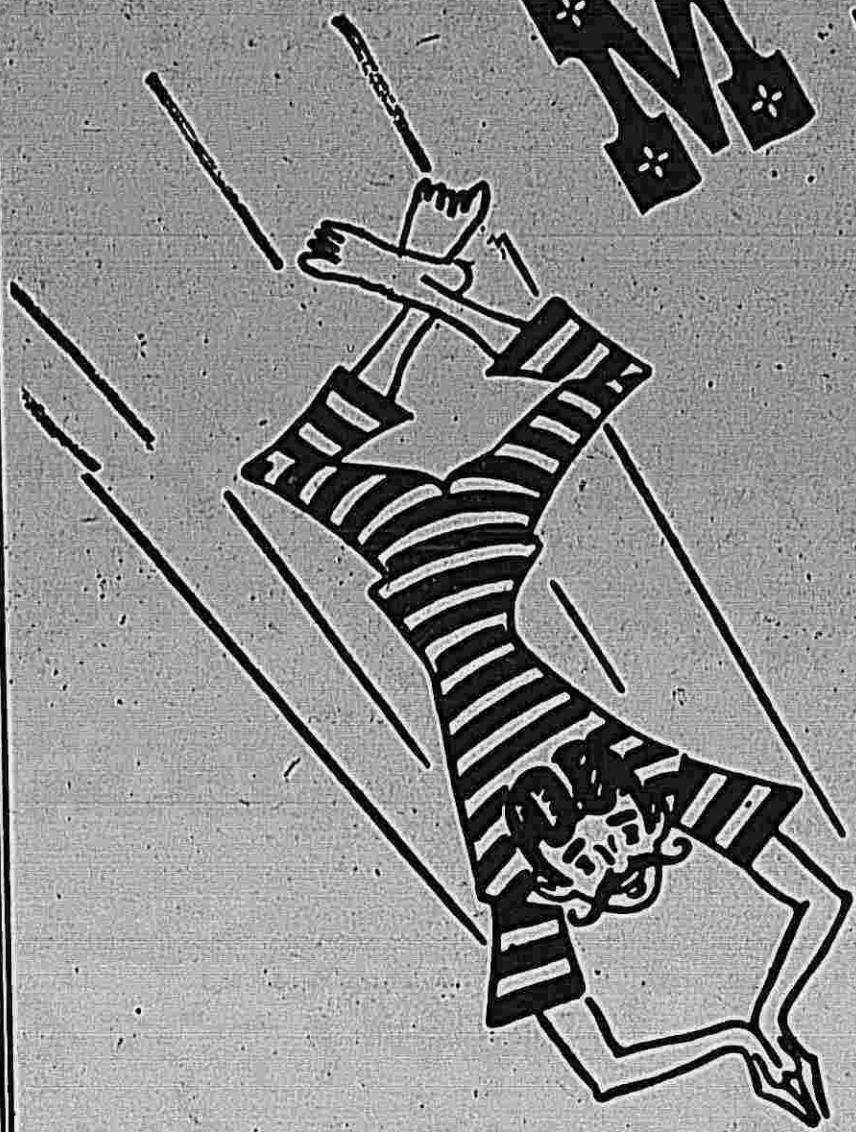

For a special surprise when the portrait prints are ordered, give Dad a large family portrait for his office with a tailored leather or suede frame - or save it and let Santa put it under the tree.

A surprise 40th Wedding Anniversary party was held Sunday for Mr. and Mrs. Frank Lowe. About 75 people attended

A SICILIAN DONKEY is one of a variety of interesting items already on the Antioch Lions Club list of auction donations for their Annual Farmer's Picnic Chicken Bar-B-Que and Auction being held on Sunday, August 5th from 11 a.m. to 6 p.m. (Proceeds to be donated to the Antioch Rescue Squad.) The donkey, donated by auctioneer Herman Behm (right) is admired by (left) Mark Scarpelli and (center) Jim Fields, Captain of the Antioch Rescue Squad and Co-chairman of the Lions Picnic Auction Committee. Anyone wishing to donate items of reasonable auction value may call the Antioch Village office 395-1000. Tickets are \$2.00 per plate and Lions Club members promise a schedule of events for the day that add up to family fun, food, games and a well-deserved financial boost for the Antioch Rescue Squad.

the gala event with many relatives and friends coming from Chicago and surrounding northern suburbs. Dave Nissen presented the couple with a special plaque with a copy of the invitation to the party engraved in gold. Congratulations you two!!

Ken and Sharon Watson and family just returned from a weeks vacation in Portsmouth, Ohio visiting relatives. Sharon says its nice to go away, but its also nice to come back to Antioch.

Hear Bill Jeorgeson threw the "party of parties" on Sunday. What was the occasion Bill?? Arriving at the party in a "dune buggy" was Ray and Joan Toft. Not to be outdone, Dale Frasz zipped over on his riding lawn mower. But topping that was Denny Horton who arrived on his snowmobile. Crazy firemen!

The Threepenny Opera opened Saturday night at the PM & L Theatre to a full house. If you haven't got your tickets yet, be sure to call the theatre - 395-9702 - for performances on Saturday and Sunday, July 27 and 28; August 3 and 4. Hear tell its a "smashing success".

Mark August 18th on your calendar, cause that's when the Altar and Rosary Society of St. Peter will be holding their annual Salad Bar luncheon. Chair ladies Betty Mentone and Henrietta Albergo have been very busy making plans for an entertaining afternoon. Plan to attend.

Congrats to the American Legion baseball team. The guys finished the season first in the North Division. They played in a two game elimination tournament on Sunday, losing to Mundelein by a score of 2-1 in the morning and losing to Lake

Zurich 11-8 in the afternoon game. Their season ended when they lost the two games.

Congrats also to the Pirates who won the championship in the Minor League on Sunday afternoon.

Boy! This is a big weekend coming up. Save your money for Maxwell Street Days when all the merchants will offer gigantic sales. Also the Lake County Fair begins on Wednesday and lasts til Sunday night. Be sure to go and see all the wonderful things our Antioch 4-Hers entered in the fair. They've worked very hard and are really very talented youngsters.

Get well wishes to Cheryl Galonka who is in Evanston Hospital. Have a speedy recovery Cheryl. Also a big get well to Ken and Nancy Rentner. You two are really something!

Some second honeymoon!! A speedy get well to Fern Watson too.

Anniversary greetings go to Karen and Ron Anderson on the 27th and to Janet and Gary Eppers on the 30th.

Happy birthday to Dina Fabry on the 28th, and to Carl Leatherberry and Betty Valentine who celebrate on the 29th. Many happys also to Bernie Gutowski and Peter Meyer who celebrate on the 31st.

Hey, did anybody else think they were seeing things this weekend. While riding through town I glanced up and there it was a Christmas Tree in July!! I drove around again and it was still there. ....

See ya,

Annie Mae

### BEOG IMPORTANT TO 1973 GRADUATES

Additional information on the Basic Educational Opportunity Grant has been announced of importance to 1973 graduates by Mr. Kurek of Antioch Community High School.

Chances are students have been awarded less than the amount of aid for which qualifying due to colleges anticipating aid from the BEOG program. Accordingly, as a guideline, students who have received Illinois Grant Aid, or those who will attend a vocational or business school and feel they might qualify, should apply for BEOG, if enrolling as a full time student for the first time (12 credit hours-Vocational 25 clock hours). Students who will attend out of state schools are eligible for the BEOG. As a general rule if income is \$12,000 for a 4 person family you may qualify for aid.

## IRISH - HLADILEK

On July 7, 1973 at 2:30 p.m., Miss Barbara Irish became the bride of Mr. Lawrence Hladilek of Zion. The bride is the daughter of Mr. and Mrs. Robert Irish of Wadsworth, Illinois, and the bridegroom is the son of Mr. and Mrs. Frank Hladilek of Vesperi, Wisconsin.

The double ring service was performed by Father Michael Weston at St. Josephs in Libertyville.

The bride wore a white silk organza dress with an empire waist, high neck, and a chapel length train all trimmed with Venice lace. Her flowers, were

white roses, baby's breath, and stephanitis.

Mrs. Nancy (Delwin) Peterson was the Matron of Honor and Mr. Jerry Hladilek was the Best Man. Mrs. Betty (Doug) Macdonald and Miss Wendy Irish were the bridesmaids. Mr. Randy Irish and Mr. Ricky Hladilek were the groomsmen. Miss Laura Hanson was the flower girl and Mr. Bobby Zwiefelhofer was the ring bearer.

The bride is a graduate of Zion Benton High School and is employed at the Chicago Title Insurance Company. The bridegroom is a graduate of Mid State Tech and is employed at Johnson Outboard as a tool-maker apprentice.

After a reception at the Waukegan VFW, the couple took a honeymoon trip to Colorado Springs and now live in Zion, Illinois.

## WOMEN OF THE MOOSE

After roll call, the Chapter proceeded with the Endowment Fund. Recorder Judy Page read minutes of previous chapter meeting and board of officers meeting. A motion to accept the minutes was made by Gladys Schroeder, to be seconded by Sarah Brohn. Approved by Chapter Recorder then read the quarterly audit and supreme lodge audit. The report of College of Regents Committee was read by Chairman Jerri Polsen, and hospitality report by Chairman Elsie Toman. Senior Regent June Ballinger read two official bulletins from Mooseheart. Chapter pin was present to Evelyn Lowe for attending 3 consecutive meetings. Those taking part in Birthday march were Pat Sperling, Elsie Toman, Darlene Gers, and Roseanne Mazzio. Share the Pot was won by Chaplain Norma Lowe and Carolyn Bushings name was pulled for the attendance drawing, but as she was not present it will be added to the next meeting, the pot will keep building until someone is present to win, you must be present to win.

## SISTER VIRGINIA STONE, BVM, ATTENDS MEETING IN PITTSBURGH

Recently appointed national director of the Pontifical Association of the Holy Childhood (Catholic Organization totally dedicated to the interests of children), Father Wright, has called for a meeting with top religious educators throughout the country at the association's national headquarters in Pittsburgh this week. Among those attending this meeting is Sister Virginia Stone, BVM, principal of St. Peter's School. The purpose of the meeting is to help broaden the scope and deepen the purpose of the association.

## End Interest Rate confusion

A message from the First National Bank to explain the confusion, explode a myth and suggest with good reason why you should trust your hard earned dollars to the FIRST NATIONAL BANK OF ANTIOCH.

You have read in the Newspapers about the new higher interest rates; you have heard radio and TV commercials on the same subject. This confusion of rate advertising has been going on for more than a week and it is likely to continue for some time.

Here is why: The Federal Reserve Board regulates the maximum amount of interest banks are allowed to pay on any type of Savings Account. On July 6th, they raised the ceilings. Savings institutions rushed to advertise the new higher rates.

It really didn't change things that much. You see, The Fed only regulates the maximum amount of interest a bank can pay. Another force influences the minimum amount of interest a bank can pay on Savings Accounts. That is called competition. If one bank pays less interest than other banks, it ought to have fewer savers. The truth of the matter is; Virtually all banks pay the

LA VERNE M. WOODS

same rate of interest.

We are paying the NEW HIGHER RATES and for the reasons above they are the same as most other banks. You can pick the bank, Interest is basically the same. But if one bank gives you something that you can't get anywhere else, then that's your bank. It all boils down to service, the FIRST NATIONAL BANK PERSONAL SERVICE where you won't be dealing with a financial institution but with people who are interested in you and your future; and with people you know. We hope that this is the kind of SERVICE you want and that if you have any questions you will call or stop in and see us. We will be happy to explain the new rates and regulations, whether you open an account or not.

St. Dismis Church in Waukegan was the beautiful setting for the marriage of Tom Runyard and Sue Erhart on Saturday, July 14. Sue's maid of honor was Kris Dawson and her bridesmaids were her sister Judy Erhart and Tom's sister, Terry Runyard. Best man duties were filled by Tom's brother Doug and groomsmen were Chuck Erhart, brother of the bride and Pat Runyard, brother of the groom. The wedding mass was sung by Carol Wells and Pat Runyard accompanied by Judy Vendl on the organ and Dean Vendl on guitar.

A reception for 285 people followed at the Lindenhurst Civic Center. After a honeymoon in Wisconsin and Canada, the newlyweds will make their home in our area.

Tom is the son of John and Margaret Runyard and the grandson of Mrs. Harriet Runyard and Mrs. Vivian Bruel, all local residents. The family is now in the midst of getting ready for a second wedding in September when Doug Runyard will be taking the big step.

Happy birthday to Bobby

Zelen who was 8 years old on July 9 and to Susan Lemke who was 7 on July 18th. July 12 was the 15th birthday for Julie Gutowski who celebrated by seeing Godspell at the Studebaker Theater in Chicago and the Vicki Carr show at Mill Run.

Lou Portalski, this reporter's father, celebrated on July 16 with a dinner in his honor at Mad-Dan's in Twin Lakes, Wisconsin and last but not least, a very happy birthday to Carol Portalski on July 19th.

Be sure to put August 4th on your calendar as the day to attend the Bluff's Association picnic. The event will start at 1 p.m. on the beach property and promises to be fun for all that attend.

Skip and Carol Whitton and daughter Lorna journeyed to Camp Ma Ka Ja Wan Boy Scout Camp in Pearson Wisconsin to see son Dick welcomed into the Order of the Arrow.

Dan and Linda Runyard and family along with Dan's mother, Harriet Runyard, spent the weekend camping at Tom Potter's in Neshkaro Wisconsin. Joining the family for the day on Sunday were Mike and Mary Jo Zein and children and Gene and Virg Rudolph and children.

Don forget to visit the Lake County Fair in Grayslake this weekend. Some of our areas 4-Hers will be participating.

Let me know the news.

## CITIZENSHIP SHORT COURSE - 1973

Sue Hevrdejs, Doris Meuter, Silvia Meuter, and Gail Olson returned last week from Washington, D.C. where they attended a Citizenship Short Course at the National 4-H Center. They were four of eight delegates from Lake County. The total northern section of Illinois delegation consisted of 89 people. During the summer more than 6,000 teenage 4-H members from 42 states will attend.

Designed to develop a greater understanding of individual responsibilities of citizenship, the one-week session was filled with listening, learning, sharing and touring.

The most interesting part of the course was the mini-university sessions. This program featured small group discussions of contemporary topics. There were nine topics which they could attend: International; The Press: Fact? Fiction? and Freedom?; Economic Choice? the Citizen; To be or not to be-Married; Tinkering with Your Community-What YOUth can do; Values-human relations; Man's Freedom & Dignity; - Who Cares About Ecology? and No Man Is an

## WELCOME TO THE LAKE COUNTY FAIR

The Fair will open this Wednesday morning with large exhibits from your 4-H clubs of Lake and adjoining counties. Adult exhibitors will be very popular this year. We invite you the public to come to the Fair and see what you 4-H people of Lake County have accomplished with their various projects. These projects are in agriculture, home economics and the many many other projects that are popular in 4-H work.

There will be horse shows starting each day at 9:00 a.m. There will be English classes, Pony and Western shows for 4-H club people. Friday there will be a horse show open to the world for the Youth. Come out and watch your favorite rider and his or her horse perform. The Special Youth Horse show on Friday, July 27th starts at 9:00 a.m. A registered Quarter Horse show on Saturday, July 28 and the Appaloosa show on July 29.

One of the outstanding events on July 28th will be the SALE OF CHAMPIONS starting at 1:00 p.m. sharp. The public is invited to participate in this auction. It will be a sale of Champion and Reserve Champion steers, swine and sheep exhibited at the Lake County Fair.

There will be a grand parade of Commerical exhibits, Floats and Livestock on Saturday evening about 5:30 p.m.

There will be three nights of Fire Works on Thursday, Friday, and Saturday.

Miss Lake County Fair Queen will be selected Wednesday, July 25th, at 8:00 p.m.

The program for the week is as follows: Heavy Horse Pulling Contest, Wednesday evening; Pony Pulling contest Thursday evening; the famous Hank Williams Jr. with his Town and Country music on Friday evening with two big shows, one at 7:00 p.m. and one 9:00 p.m.; the program on Saturday night will be Dixie Land Music featuring Smokey Stover, one show starting at 8:00 p.m.

Island; Neither is His Government.

The group saw their federal

government in action through a session on the executive branch held at the U.S. Department of

Agriculture, and by spending a whole day on Capitol Hill.

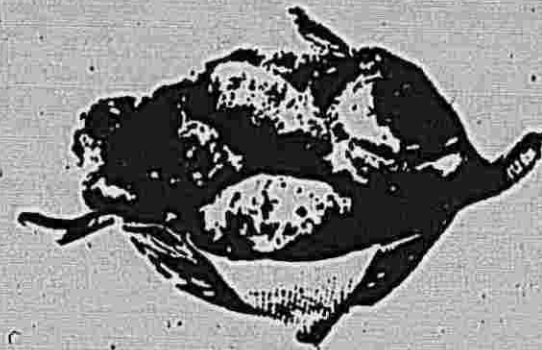

"Most important of all," they

said, "was learning ways to put citizenship into action in our own community."

## 3PO: An ambitious production

The 3PO you have been seeing around town lately has finally made it's debut. Saturday evening, July 21 was the opening night of the "Three-penny Opera" at the PM & L Theatre.

The opening nite jitters were present to some degree, of course, but the troupe as a whole - and some actors, in particular - offered some worthwhile entertainment and some thought provoking drama to the audience.

Threepenny concerns the notorious robber, Mack The Knife (Macheath) and his several "wives". It is through one wife, Polly Peachum, that Macheath runs afoul of J.J. Peachum, known as the king of the Beggars. Another wife, the prostitute Jenny Diver, betrays him to Mrs. Peachum. And yet another, Lucy Brown, helps him escape from the hands of her father, Tiger Brown, the Commissioner of Police.

Jim Nutter, in the role of Macheath, gives a solid performance, especially in more dramatic moments. In some of the "ordinary" scenes with his gang however, he

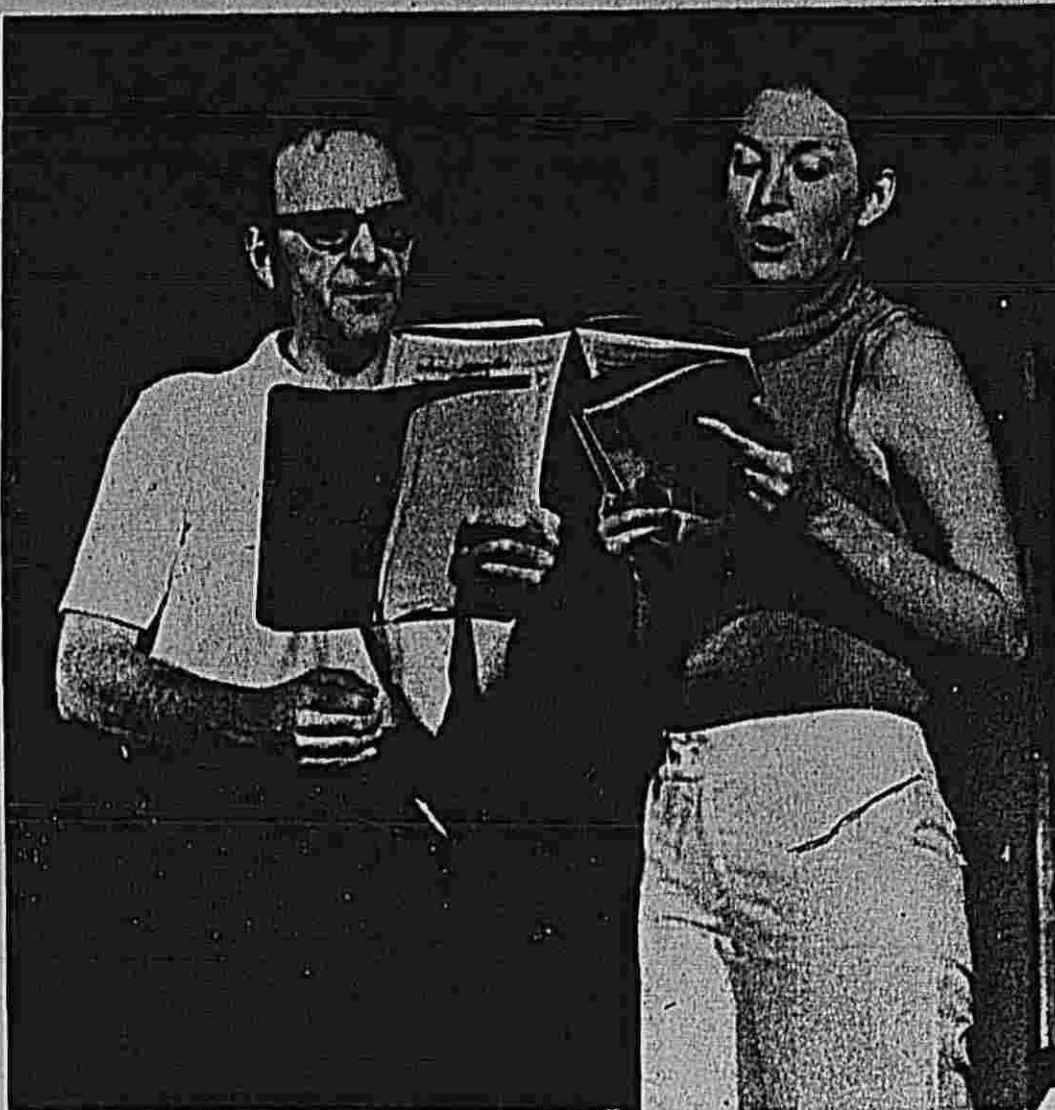

often does not exhibit an authority equal to his role.

The business-like air which Don Beveroth brings to the character of Jonathon Jeremiah Peachum is somewhat deceiving to the viewer. Other actors might play Peachum as more of a conniving weasel; Beveroth makes him an entrepreneur, capitalizing on the business of begging in London. He, thus, becomes one of the strongest characters in the play.

Mrs. Peachum is brought to life by Charlotte Worswick, an excellent actress, who seems mis-cast, being too strong for the role of the drunken, meddling wife. Both she and Beveroth further strengthen their characters through powerful singing.

Rita Rosol sings and acts her way to success as the Peachum's daughter and Macheath's new wife, Polly.

Playgoers will probably be confused by Lynn Zaehler's performance as Jenny Diver. Lynn is not a singer; though she is an actress and a dancer. The key is that Jenny does not have to be an accomplished

singer. Lynn uses the technique of speaking many of the musical numbers, to great effect. Her rendition of the dream-song, "Pirate Jenny," is especially moving.

A fine performance is also turned in by Bob Andresen as Tiger Brown, caught between his friendship for Macheath and the manipulation of Peachum.

The remainder of the cast is too large (17) to single out each actor for comment. Many fine supporting performances are given in the play. Pianist Tracy Teltz renders the difficult accompaniment with precision, aided by David Rush on drums.

"Threepenny Opera" is a difficult undertaking for any group. The subtlety and satirical character of the play keeps it off the program of most amateur actors. Adapted from the 17th century "Beggars' Opera" by Bertolt Brecht, the script is a damning

## SOCIAL NOTES

By Del Jahneke

Since school is out, the Brownie Troop No. 185 has had some exciting times! First on their agenda was a roller skating party held at St. Peter's Auditorium. Next, the girls went bowling at the Antioch Lanes, and enjoyed delicious refreshments served them each time. On June 7th, at the Antioch Scout Home, eight Brownies "flew up" to become Juniors. The young ladies to be congratulated are Tina Dahlberg, Margaret Kelly, Michelle Mizzano, Kerry Rock, Laura Stankey, Kathy Skupien, Patti Smith and Lisa Stahmer. Each new Junior was presented with her "wings", a Junior Girl Scout Handbook and a sewing kit. Leaders Mrs. Edward Dahlberg and Mrs. Thomas McKevin, with helpers, Kathy Stahmer, Sharon Smith and Bridget Smith; took the new Juniors to the Antioch American Legion Carnival, held at the Antioch High School ground on June 29th. Here the girls had great fun being "taken for a ride (s)". In August, these Juniors plan to march in the Midnight Madness Parade.

The senior Ed Jahneke's, Beach Grove, had a pleasant time at a pot luck picnic cook-out and swimming party last Saturday at the Karl Heuer home in Gurnee. Some twenty people, both young and older, had a "perfect time on a perfect day!"

## Mel and Roberta Knirsch return from trip

Mel and Roberta Knirsch have returned from a month's travel in the Scandinavian countries and Leningrad, Russia.

Mel drove a "little" car called a DAF 55 for over 3000 miles.

Part of their trip was up the West Coast of Norway to the Arctic Ocean. Due to the narrow roads and treacherous mountain driving, they could only average 29 miles an hour in Norway. For most of their trip

the sun never set.

Their favorite city was Helsinki, Finland. "Where wining, dining, and dancing were done by all with vigor 'till 4 a.m. every day."

Mel's favorite moment was when he discovered he was steaming himself in the ladies side of a Finnish sauna.

Roberta's fun thing was ballroom dancing which she did in the Scandinavian countries, on a cruise ship and in Leningrad, Russia with "Mel" and many "uninhibited natives."

## LAKE COUNTY SALON NO 191

The Lake County Salon No. 191 of the Illinois Eight and Forty held their annual pot luck supper picnic meeting at the home of Mrs. August Olson in Lake Bluff, July 9th. Mrs. Ray Suzzi, Highwood, Le Chapeau, conducted the meeting.

At the June meeting, election of officers took place with Mrs. John Schultz, North Chicago, elected as Le Petit Chapeau; Mrs. Ted Odom, Libertyville, Le Demi Chapeau Premiere; Mrs. Barbara Klemm, Gurnee, Le Demi Chapeau Deuxieme; Mrs. Ray Rathmann, Antioch, L'Archviste; Mrs. Robert Broege, Deerfield, L'Aumonier; and Mrs. Everett Ainsworth, Lake Forest, Le Concierge.

Delegates and alternates to the Departemental Marche, held July 20; 21st, and 22nd, at the Pick Congress Hotel in Chicago, were Mrs. Suzzi, Mrs. John Schultz, Mrs. Fred Schultz, North Chicago; Mrs. Philip Cole, Highland Park and Mrs. Norman Holt, North Chicago, Pouvoir member. Their alternates were Mrs. Klemm, Mrs. Broege, Mrs. Frank Waggett, Highland Park; and Mrs. Henry Reinke, Waukegan.

Hostesses for the picnic were Mrs. Olson, Lake Bluff; Mrs. E. Ainsworth, Mrs. Melvin Archer, Mrs. Thomas Kinney, Mrs. Louise Nikkinen, Mrs. James Sorenson and Miss Alice Youngs all of Lake Forest Unit.

## METHODIST CHURCH HOLDS BIBLE SCHOOL

The Antioch Methodist Church will hold its Vacation Bible School July 30 through August 10, from 9:30 to 11:30 all children 3 years old thru 6th grade are welcome.

On August 10, at 10:30, there will be a presentation of a special program for the parents and public, along with a display of accomplishments by class.

## "Hindsight's Better Than Foresight"

People express their unity as a nation, a village, a family in various signs. A nation symbolizes its unity by means of a flag, a village such as Antioch has a seal, a family might use a shield. Seeing this sign whatever it might be tells us this group of people are a united people.

The Christian Community has a sign of its unity in Christ. Their sign is one given to them by Jesus Himself-His body and blood in the sacrament of the Eucharist. The Eucharist more commonly known as communion-from the Latin meaning union-with-is at the same time an act of worship based on Faith signifying the way we tried to live since our Baptism and the way we hope to live in the future. And that way is in union with Jesus Christ through the Christian Community.

A gift is a sign of love, a sign of giving yourself to someone you love. A man in love gives to his beloved a box of candy. He is saying, "I love you." His girlfriend opens the box and asks him to share the candy. She is saying, "Love you too." Their mutual love is expressed in this act of giving and sharing. Their love is renewed, confirmed and intensified in a very human way.

The relationship of love between God and man is the same. Christians give God the gifts of bread and wine, the sign of their life. The Christian with the Christian Community is saying, "God I love you". The God takes the gift, consecrates it and shares it with us now the body and blood of Jesus Christ. The relationship of love between God and man is expressed in this act of giving and sharing. The Love of God and man is renewed, confirmed and intensified in a very human and divine way.

## Christian Science

In Psalms 33 we read "For the work of the Lord is right; and all his works are done in truth". This is brought out Sunday at Churches of Christ, Scientist, in a Bible Lesson-Sermon entitled "Truth".

Commentary from Science and Health With Key To The Scriptures by Mary Baker Eddy includes this explanation: "Mortals try to believe without understanding Truth, yet God IS Truth".

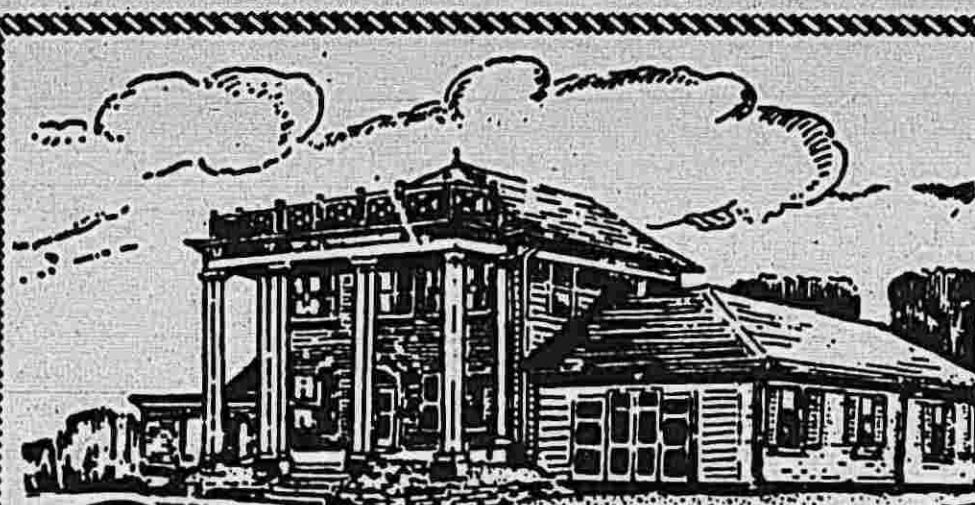

Services begin at 11 a.m. at First Church of Christ, Scientist BEACON HILL, Route 173 and Harden, Antioch, Illinois, and the public is always invited.

**"TORK" TALKS**

by: Tork Torkelson

**TRANSMISSIONS AND REAR AXLES**

Most Ford, Mercury and Lincoln cars offer the popular combination of engine-with-automatic-transmission, up and down the line, either as optional equipment or standard, plus a choice of rear-axle gear ratios.

In the simplest terms, your choice of engine sometimes determines whether or not you have a choice of transmissions and what the choice may be. It also determines your choice of rear-axle ratios, and what that may be.

As for the standard-equipment rear-axle gear ratios that come with a particular engine, these are the ones Ford Motor Company engineers prescribe for average, all-around use the way millions of motorists drive. There may also be a choice of a higher ratio in the model you select, or a lower one.

## ORDINANCE NO. 73-7-14

BE IT ORDAINED BY THE MAYOR AND BOARD OF TRUSTEES OF THE VILLAGE OF ANTIOCH, LAKE COUNTY, ILLINOIS, AS FOLLOWS:

**SECTION 1:** That Section 16, entitled "FEES", of the Zoning Ordinance of the Village of Antioch, as amended, be and is hereby further amended as follows, to-wit:

**SECTION 16. FEES.** Any person, firm or corporation who may hereafter file any Petition addressed to the Zoning Board of Appeals of the Village of Antioch, praying for a change in zoning regulations provided by law on a single tract or parcel of real estate, shall at the time of filing such Petition pay to the Village Clerk the following sums to defray the necessary cost of publication and expenses incident to the hearing of such matter, to wit:

Change Sought		
District - From	To	Fee
Residential	Residential	\$150.00
Residential	Business	\$150.00
Residential	Manufacturing	\$200.00
Business	Residential	\$150.00
Business	Manufacturing	\$200.00
Manufacturing	Residential	\$150.00
Manufacturing	Business	\$150.00

When a zoning change is sought from any Use District to another Use District, and one or more acres are sought to be rezoned, the fee shall be increased as follows:

1 to 5 acres - an additional fee of \$100.00

6 to 10 acres - an additional fee of \$150.00

11 to 50 acres - an additional fee of \$250.00

51 or more acres - an additional fee of \$400.00

Fees incurred by the Village of Antioch for Engineering Reviews of Zoning Petitions shall be reimbursed to the Village by the developer.

In Planned Unit Developments, the fee shall be \$500.00.

For holding specially set hearings at the request of the Petitioner, an additional fee of \$150.00 shall be due and payable. For Petitions seeking variations in any Use district, a single fee of \$150.00.

For republication necessitated by any act of the Petitioner or at the Petitioner's request, an additional fee of \$25.00.

In the event that the Mayor and Village Board of Trustees shall determine that it is necessary to have the Attorney for the Village attend any zoning hearing, in addition to the fees charged above, an additional fee shall be due and payable in the amount of \$100.00.

**SECTION 2:** This Ordinance shall be in full force and effect from and after its passage, approval and publication as provided by law.

**SECTION 3:** All Ordinances, or parts of Ordinances, in conflict with the terms of this Ordinance, be and they are hereby repealed.

## CLC OFFERS 2 ONE CREDIT COURSES THIS FALL

### "Career Exploration"

A course to assist job seekers in making realistic career choices will be offered in the fall semester by the College of Lake County. Entitled "Career Exploration," the course will give an organized and guided program to examine and choose possible careers that match the interests, abilities, and aspirations of each student.

CLC counselor Frank Nickels said that "Career Exploration" is for the person currently or soon-to-be searching for a job. "The focus of the course is to allow that individual to discover job opportunities and trends, to prepare for a career, and to learn how to sell him or herself to employers," he said.

At least three sections of the one credit course will be offered for 1½ hours per week for ten weeks. Interested individuals should check the 1973 fall semester schedule of courses or call the college counseling center at 223-8193 (223-6601 after August 15), extension 30.

Students may register by telephone between July 23-27 by calling 223-6661, or, between August 20 and September 7, they may register in person at the CLC campus near Grayslake. Classes start August 27.

### "Aggressive Child"

The College of Lake County is offering a one-credit course entitled "Aggressive Child" during the 1973 fall semester. Part of CLC's continuing education program, the course will run for ten weeks, September 13 through November 15.

"The course will explore causes of aggression, reactions to aggressions, ways to handle aggression, and roles of the adult as a parent, a teacher, a and a child care worker," according to Linda Wetherbe, CLC child care program coordinator.

Interested persons may register for "Aggressive Child" by telephone between July 23-27 by calling 223-6661, or in person at the college campus near Grayslake between August 20 and September 7. Fall semester classes begin August 27.

## COUNTY ZONING NOTICE- #2296

Who passed away July 30, 1971

The month of July is here  
again. To us the saddest of the  
year. It has been two years,  
and friends may think we have  
forgotten. When at times they  
see us smile. But they little  
know the heartaches our  
smiles hide all the while.  
Though you left us two years  
ago, memories keep you ever  
near. Often we pause and think

## The Antioch News SPORTS

### ANTIOCH SWIM TEAM THIRD IN NORTH SUBURBAN SWIM CONFERENCE

The Antioch Swim Team, sponsored by the State Bank of Antioch, exhibited some more fine swimming this past week. On Wednesday at the Antioch Aqua Center, the Antioch Swim team scored a stunning upset victory over the previously undefeated team from Tennaqua in Deerfield. On Saturday the North Suburban Swim Conference held its Championship meet at the Plum Grove Club in Palatine. The Antioch Swim Team fought for second place right down to the last event when the score was tied. Final results showed Antioch in third place, trailing host team Plum Grove by just four points. In first place was the Tennaqua Club with a team score of 228, followed by Plum Grove, 180½, Antioch, 176½, Lake Forest, 151, Brentwood, 141, and Old Willow, 91.

Three Antioch Swimmers brought home first place trophies: John Schmidt, Dave Berry, and Ed Berry—Ed had three! But coach Marty Berry credits the Team's fine showing to the large number of Antioch swimmers whose preliminary times qualified them for the finals. The Antioch Swim Team qualifies 10 swimmer in the freestyle finals, 15 swimmers in the backstroke finals, 3 in the individual medley (IM) finals, 11 finalists in the breaststroke events, and 9 in the fly finals. George Bessette and Craig White qualified for the finals in both events for 8-under boys—free and back. George finished second place in both events and Craig finished sixth. Other swimmers could qualify for three events.

In the 9-10 age group, John Schmidt, Greg Shepard, and Judy Houghton all reach the finals in three events. John earned his first place trophy in the 25 m. backstroke, and placed third in freestyle and fourth in fly. Greg Shepard placed second in both freestyle and backstroke and came in third in breast. For the girls, Judy Houghton placed second in breaststroke and fourth in both freestyle and backstroke. Sally Taplin added a close third in breaststroke.

Top swimmers in the 11-12 age group were Jenny Schmidt and Phil Jaworek who each qualified three times, and Carol Bery, Berry, Trina Spietz and Margaret Bessette who qualified twice. Jenny Schmidt earned three second place trophies, scoring in IM, breaststroke, and fly. Phil Jaworek placed third in both backstroke and IM, and sixth place in breast. Margaret Bessette placed second in backstroke and third in breaststroke; Carol Berry placed third in fly and fifth in free; and Trina Spietz placed third in free and fourth in backstroke. Chuch Auxier placed fifth in fly and Scott Gallagher sixth in back.

Swimming in the 13-14 age group, Allen Jaworek qualified in three events; placing fifth in both backstroke and fly, and sixth in freestyle. Sue Berry

qualified twice, finishing fourth in back stroke and sixth in fly. Mary St. Pierre placed second in the backstroke event. Frank Bessette finished fifth in the breaststroke. Sixth place finishes were added by Eva Auxier in fly, and John Kakacek and Debbie Rentner, both in breaststroke. Two 13-14 girls "swam up" an age group and qualified in the 15-16 age group events. They were Eva Auxier, who placed sixth in the back stroke, and Chris Walpole, who placed fifth in the fly.

Outstanding swimmer for the day was Ed Berry who not only qualified in three events but came in first place in all three! Ed placed first in the 100 m. Individual Medley, 50 m. breaststroke, and 50 m. fly.

Dave Berry also qualified three times for the 15-16 boys. He finished first place in the 50 m. backstroke, second in fly, second in fly, and fifth in free. Mike Jaworek added a third place in backstroke and sixth in breast.

The swimming competition began and ended with a relay. The total ages of all swimmers cannot exceed 48 years. Antioch's medley relay team place fourth; swimming on the relay were Mike Jaworek, back, Craig White, breast, Lynda Fields, fly, and Theodore Bessette, free. In the 200 m. free relay, Antioch place fifth. Swimming on the free relay were George Bessette, Teddy White, Bob Dodd, and Jeff Schmidt.

On Friday evening, the diving championships had been held. Antioch placed only one diver in the finals: Jack Fields who finished sixth. Also representing Antioch in diving were Judy Houghton, Chris Walpole, and Sue Berry.

The number of swimmers who are eligible to compete in the conference championships is quite limited and, as swimmers are selected on the basis of fastest times, it is an honor just to swim in the meet. Other swimmers who represen-

ted Antioch but did not qualify for the finals were Cindy and Sherri Knight, Cindy Carney, Jean Cilik, Mark Shepard, Jack Fields, Jerry Schmidt, Dorothy Emmerich, Jill Grumbeck and Gina Teresi. Hats off to them all!

The Antioch Swim Team will continue to swim hard these next two weeks as they prepare for the Antioch Invitational on Sunday, August 5 at 10:00 a.m. at the Antioch Aqua Center (the same day as the Lions' Club Chicken Barbecue!).

## BIG 10 STAR LINEMAN SIGN WITH RIFLES

Two star offensive linemen from the Big 10 and several other well known players have signed contract with the Lake County Rifles professional football team.

The former Big 10 stars are Richard Ostriker, 21, a guard whose 330 minutes of play last year led Purdue. Ostriker said his biggest thrill was in 1972 when he was the Purdue team captain against Wisconsin.

The other star is Tom Bove, a tackle and All-Big 10 selection in 1971 from Indiana. By the end of his Rifles rookie season last year Bove was regarded as one of the top linemen in the Central States Football League.

Both players along with newly signed veteran Tony Bertucca, an all-league CSFL defensive back selection last year hope to move up next year into the major leagues. The CSFL is considered to be a Triple A minor league and is the oldest one in the United States.

All of these players along with several other stars signed this past week will play this Saturday (July 28) when Lake County travels to Racine to meet the Raiders in an exhibition game.

Also signing with the Rifles is John Gavurnik, 30, a resident of Buffalo Grove who was an all

league offensive tackle in 1965. He has played with Lake County each year except last season and in 1969. He attended Carthage College and for three years was an all league selection in the College Conference of Illinois and Wisconsin.

Defensive back Bill Schaefer from Colorado State, a veteran, has returned. Charles Stanek of La Grange who played with the Bulls in the semi pro Chicagoland League as a defensive tackle and end inked a contract with the Rifles.

The Commissioner of the Central States Football League, Herbert P. Velsor, paid a visit to Lake County last Friday, to discuss the past, present and future of minor league football in a press conference. Velsor stressed that the minor league is still professional football, and steps are being taken to further professionalize each year. The Central States League-oldest in the world now requires player contracts, team rosters at the beginning of each season, option lists, and termination notices.

In commenting on the 8 teams in the League, Velsor placed Manitowoc and Madison at the top of the Northern Division. In the Southern Division, he looks for a three-way battle for first place among Rockford, Lake County and Delevan.

Charmglow does not really have two runners scoring at once, though the players from Walsh's must have thought so, being on the bottom of a 9-2 score. John Bodin slides across home plate in the foreground on a steal, while Mike Flahive, who was batting clears the way behind him. Walsh's pitcher, John Eder, runs in to assist catcher Jeff Eder. The win gives Charmglow undisputed first place in their division. (Staff Photo)

## TED RICHTER TAKES 'SPORTSMAN' FEATURE

Ted Richter came all of the way from Texas Saturday to win the 25-lap model 'sportsman' feature at the Waukegan Speedway. J.P. Gatti took

second money with George Dukas third and Chuck Clark fourth.

Richter took the lead away from Joe Horn on the 9th lap with Dukas in hot pursuit and Horn third. Clark passed Horn in the 15th lap for third, but Gatti passed Clark with five laps to go and Dukas with two remaining to gather-in second spot.

Gatti, who was the night's fastest qualifier spun out in the 8th lap, but a red flag in the 11th lap helped Gatti make up some lost ground. The red flag was necessary after Al Gutche was hit by Dennis Heiskala and Gutche's Javelin momentarily caught fire.

The only other red flag of the event came out in the third lap as several cars tangled directly below the starter's stand with Wendell Stevenson getting the worst of it. Ron Parker lost a wheel in front of the stands in the 5th lap, but the race did not have to be stopped.

Richter needed a good night at the pay window to make-up some of the expenses of his Texas trip where he missed his

With only 2 games remaining, on the schedule it looks like Charmglow versus the Advertisers for the League Championship.

Ken Breidel pitched Charmglow to a 9-2 win over All Seasons in a key American Division game. Breidel limited the hard hitting All Seasons team to 3 hits while striking out 10. All Seasons took an early 2-0 lead on hits by Bruce Tossey and Jeff Eder in the 1st inning and Jeff Stickler's triple in the 2nd inning. Charmglow rallied for 4 runs in the 4th inning with Mike Flahive's bases loaded single being the key hit. Charmglow added 5 more runs in the 6th inning to put the game out of reach.

In other action, Shure Fire won both their games beating State Bank 9-0 and edging the Medics 12-10. Advertisers dropped a 7-2 decision to Charmglow but outslugged State Bank 15-10. All Season overpowered the Medics 24-5 in the weeks other game.

Ray Toft, former operator of Ray's Shell at Lake and Main in Antioch, is still in the business of handling wrecks. This time however, he is assisting the Antioch Auto Center Sales wrecker in turning a car back on it's wheels at the Kenosha County Speedway in Wilmot. Toft manages the IRA super modified and sportsman stock car races at Wilmot each Saturday night. This action shows the car of Neal Osterguard, Kenosha just after he flipped over. He was OK and is shown at the far right. Many Antioch drivers are in the Wilmot action each Saturday night. They include Jim Moulis; Tom Anderson; Dan Webster; Carmen Menzardo; Montey Lowery; Dan Boring; Ernie Franks; and Mike Ring.

first airplane and had to rent a car and hustle across the country to another airport to get a place back into the Chicago area by racetime. The Lakeland Bus 'school-bus tycoon' also won the fast heat and finished second in the trophy dash.

Norm Bucher won the demolition derby and hobby heats went to Earl Williams, Jack Hemmings and Sonny Sears.

Gutche won the sportsman dash and the other two heat races saw Frank DeFilippis and Joe Torri the winners. Dave Horst carried the checkered flag in the consolation race.

Next Saturday night the ladies will race in another powder puff derby and STOCK CAR FOOTBALL starts next Sunday night.

## ANTIOCH VS LIBERTYVILLE

Antioch beat Libertyville to move into the Legion finals on July 19th by a score of 3-1. Fred Popp went the distance, allowing only three hits, all of which in the first inning.

A double, two singles, and a wild pitch accounted for Libertyville's run in the first. They continued to hold Antioch hitless until the third. With one out, Scott Vazquez started things off with a walk. An interference by the catcher on Rick Sedar's batted ball put him on first and Vazquez on second. Tim Mieure drew another walk to load the bases, and then Fred Popp was hit by a pitched ball to force in Vazquez. Steve Vazquez followed with a slow spinning line drive double to right center to drive in Sedar and Mieure. "The pitcher had two strikes on me and I knew he would come over again because the bases were loaded and he couldn't afford to walk me," commented Vazquez. "He threw me two that I fouled off, then the next one he pitched, a high fast ball, I just went with and hit it into right field."

Fred Popp faced only 20 men in the last six innings, two shy of the minimum of 18. He explained what happened in the first inning: "I was going with my fast balls at first. They just hung up and Libertyville could hit them. I then started to use my breaking pitches, and they worked well, which is what got most of the players out."

### ANTIOCH LOSES IN THE TOURNAMENTS

Antioch played their second and third games of the double-elimination tournament on July 22. In other words each team plays until they lose two games; then they are through with the season. Antioch did just that, losing to Mundelein at Gurnee, 10:30 a.m.; and losing to Lake Zurich at Libertyville, 1:30 p.m.

The game with Mundelein was a bad one to lose; the score being 2-1. Mundelein took the lead in the second on a single and two errors. Antioch bounced back in the fourth. Tim Mieure led off with a single and stole second. One out later Steve Vazquez got one of his five hits in the tournament games—a single to center, scoring Popp.

Mundelein came right back to take the slim lead for good in the fourth inning on a triple and a single. Antioch could get nothing started after the fourth, sending the minimum of nine men to the plate in three innings.

Needless to say, Tom Underhill pitched an excellent game; he just didn't get the hitting behind him. The only solid hit off him was the triple in the fourth.

Antioch lost to Lake Zurich in a high scoring battle, 11-8. Extra base hits were a common thing; each team got two home runs.

Lake Zurich jumped to a 2-0 lead but Antioch exploded in the third with six runs. Scott

## LEGION BALL

Vazquez started off with a single and took second on a wild pitch. One out later, Tim Mieure walked. An error by the right fielder allowed the batter, Fred Popp, to go all the way to third and allowed Vazquez and Mieure to score. A single by Steve Vazquez drove in Popp, and a walk to Dirk Dietz put men on first and third. Russ Albano hit Antioch's first home run in the Tournament to bring in three more runs.

Lake Zurich gradually picked away at the lead and made the score 11-6. Antioch brought it up to 11-8 when Mike Gutowski reached first on an error by the shortstop and Rick Sedar hit Antioch's other home run.

### THREE-IN-A-ROW FOR ROPER

Bob Roper made it three-in-a-row Sunday night at the Waukegan Speedway wheeling his 1972 Chevelle from last place for a sensational win over Ed Hoffman and Tom Jones. The win keeps Roper in the late model 'super stock' point lead.

Next Sunday night STOCK CAR FOOTBALL starts as the special added attraction with two teams meeting a Volkswagen 'beetle' football in the center of the Speedway's infield.

The win, Roper's fifth here this season, was the hardest as he had to overtake Jones, who was just a whisker off the track record in time trials, who led until the 23rd lap of the 30-lap race.

There might have been a new record in the main except for a nine-car jam-up in the pit turn on the 24th lap after Wendell Stevenson lost a radiator hose. Elmer Musgrave and Stevenson dropped out at that point with

Butch's Auto Parts and the Wheeling Am-Vets Post No. 66 will participate in the July 29 opening of the second Stock Car Football season at the Waukegan Speedway.

### STOCK CAR FOOTBALL

The biggest novelty of the season comes to the Waukegan Speedway this Sunday night (July 29) when STOCK CAR FOOTBALL kicks off its second season at Waukegan. A full program of late model and hobby stock cars is also on the program which starts at 8:00 p.m.

Basically, two teams of older cars attempt to push, shove, bounce, ram and blast the football across the opponent's goal line. The 'football' will be a driverless Volkswagen beetle!

After a few healthy blows by the players, often Cadillacs and Buicks, the Volkswagen starts to change shape to the delight of the crowd. Pretty soon the

bumpers are off, the wheels ripped loose and the sloping 'beetle' body sometimes even serves as a ramp to flip the contestants away.

The game does resemble football in a few respects. Captains of the two teams, this Sunday Butch's Auto Parts and the Wheeling Am-Vets Post No. 66 will square off, flip a coin with the winner taking possession. When the 'football' starts to move, the opposition is free to move and the game is on.

The game is split into two halves of 10-minutes each. And the track's grass infield is striped in the size of a football field. This Sunday's winner will then be challenged the following

Sunday for the balance of the season.

Last year's opening contest drew the largest crowd of the year and another large turnout is expected Sunday night. Gates open at 6 o'clock with time trials at 7:15 for the racing portion of the program.

The American Division exploded for 7 runs in the top of the first inning, with key hits by Bob Gatti, Dan Maras and Roy Raven. Then came back with 5 more runs in the 3rd inning with Raven hitting a bases loaded triple and coasted to a 18-5 win over the National League in the annual Minor League All-Star game played Saturday, July 21. Greg Pahlke had 3 straight hits for the American Division.

The Pirates of the American Division downed the Reds of the National Division to win the Minor League Championship. The Pirates jumped off to a 10-0 lead in the first 2 innings behind the hitting of Bob Thain, Carl Amundsen, Greg Pahlke and John Haling. The Reds rallied for 4 runs in the 3rd inning with Steve Stickler's bases loaded triple being the key hit. The Reds threatened again in the 5th inning with the bases loaded but the rally fell short.

### LAKE COUNTY RIFLES WIN 13 to 0

The Lake County Rifles opened the 1973 football season Saturday (July 21) with a 13 to 0 exhibition game win over the powerful Manitowoc Chiefs.

The victory came as a surprise as Manitowoc has been hailed as the best team in the Northern division of the Central States Football League while Rifles coach Bob Franz has been saying that his team is 4 to 5 weeks away from reaching top shape.

Both Rifles touchdowns were scored on sensational pass catches by rookie A. J. Owens from Northwestern University. Both times he leaped high into the air and stretched his arms above his head to take in the pass.

The first score came at 5:57 of the first quarter on a 9 yard pass from quarterback Bob Berezowitz to climax a 52 yard drive highlighted by a 16 yard run by Clifford Boyd, the league's rookie of the year last season.

Then in the second quarter rookie quarterback Rocky Self from Texas A & M exhibited extreme confidence as he came into the game and engineered a 26 yard drive climaxed by a 15 yard pass play to Owens who gathered in the ball on the three yard line and raced into the end zone with 8:58 left in the period.

Al McNeil, the Rifles leading scorer last year made the extra point.

Just before the half ended, Self faded back to pass but finding nobody open he decided to run in what turned out to be one of the most exciting plays ever seen in Carmel Field.

Thirteen blocks were thrown by the Rifles in a run that took Self 19 seconds and ended with the ball on the Manitowoc 5 yard line. The next play ended the half as Self completed a pass to Bill Trapp on the 3 yard line.

Lake County's defense, the best in the league last season, was superb Saturday. The Rifles cut off the passing attack of quarterback Jesse Kaye, the outstanding offensive player in the league last season, and Tom Lange, the best receiver last year.

Thirteen times the Rifles stopped Manitowoc on plays from inside the Rifles 10 yard line, including four plays from the one yard line.
